

## Frequently asked Questions

**Q. Is it safe?**

A. YES, it is. As long as drivers listen to what they are instructed to do, they will be fine. Our karts are fitted with remote control speed system, which enables us to slow the karts down or turn them off at the flick of a switch. Any driver deemed to possibly pose a risk to themselves or to others will be disqualified and removed from the track.

**Q. My child is nearly 8 years old – can they race?**

A. NO for safety reasons each child must be over 8 years of age

**Q. What should they wear?**

A. Race suits, crash helmet and gloves are provided but sensible footwear must be worn – no open toed sandals, flip flops, etc. Trainers are best.

**Q. Can I book a party for less than 8 children?**

A. NO Sorry, the minimum required is 8. If you have less than 8 then you may arrange an alternative event by calling the centre to discuss your requirements.

**Q. Do we have to pay for the party in advance?**

A. NO, all we ask is a small deposit of £25 which can be paid over the phone by debit/credit card or in person by cash/cheque. Balance payable at event. Any further questions prior to the event please call the centre and we'll be happy to help.
