

# Corporate Redline

Our staff are committed to delivering exciting events for your company. If you're ready to take your next event to a different level, look no further than Redline Indoor Karting. Redline is Snowdonia's newest entertainment and function facility that combines racing fun with business. Whether it's motivating your company's employees, entertaining an important client, or celebrating a special event- you'll find no better setting than Redline Indoor Karting. Corporate team building, sales presentations, business meetings and private parties can be enjoyed in this professional setting. Redline Indoor Karting's facility will provide a unique venue for any function, see our [Group Packages](#) for details and pricing.

- Staff team building
- Conferences
- Networking events
- Off-site sales meetings
- Exhibitions
- Product launches

At Redline we take care of all your needs to ensure a seamless and memorable event. Exclusive use of the track can be guaranteed for events from just 10 drivers, and we cater for events for up to a maximum of 40 drivers per session, with podium presentation ceremony and prizes for the winners.

A typical itinerary includes:

- Sign in, safety & instruction briefing
- Practice laps for every driver
- Heats or Team racing, according to your group size
- Podium presentation ceremony with prizes for the winners.
